Unpacking the Risengo

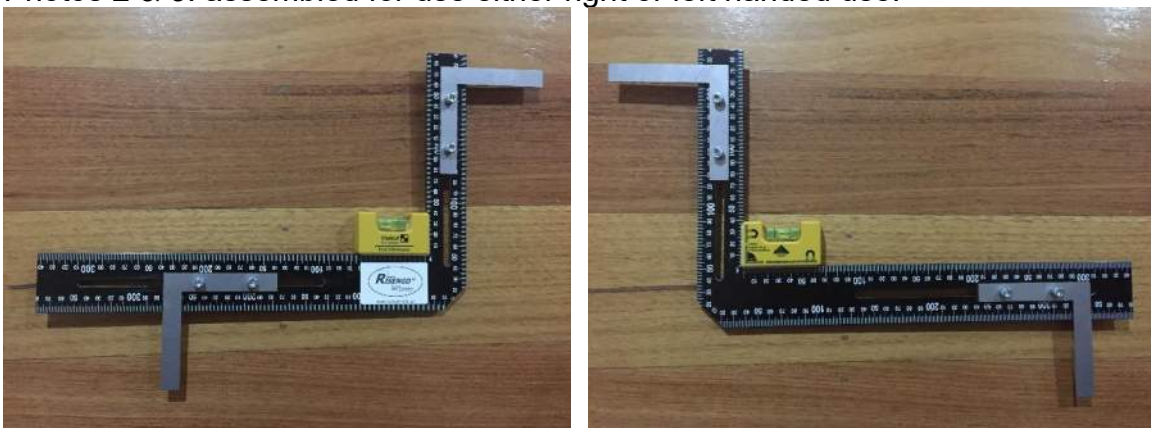

Thank you for purchasing a Risengo (pronounced Rise-N-Go")

The tool has been packed for easier postage and needs to be undone and reassembled before use. It can be set up for either left or right handed use.

Photo 1: Packed for postage

Photos 2 & 3: assembled for use either right or left handed use.

Once again, thanks for buying a Risengo and we trust it gives many years of accurate, time-saving measurements.

To view a "How to Use" video go to www.risengo.com.au or YouTube and search "Risengo".
